RE: Kentucky Utilities Company request for rate increase  
For Middlesborough, Kentucky

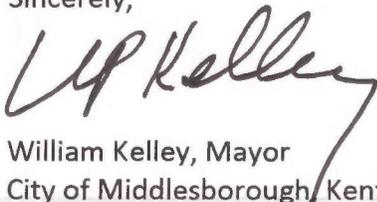

Dear Members of Commission:

We are writing to voice our strong opposition to the above referenced request for rate increase by Kentucky Utilities Company. The Middlesborough City Council meeting in regular session has voted to ask that this letter be written in protest of the proposed increase.

The citizens of Middlesborough simply cannot afford this increase in their electric rates at this time. We understand that Kentucky Utilities costs have gone up, but due to the present economic conditions here and other parts of Kentucky our residents are struggling just to pay their utility bills.

Therefore, we respectfully ask that the Commission deny the request for any rate increases at this time.

Sincerely,

William Kelley, Mayor  
City of Middlesborough, Kentucky
